## EXPERIENCE

### INTERN WEB DEVELOPER

CodSoft

2023 Dec- One month

- During my internship at CodSoft , I had the incredible opportunity to enhance my web development skills by designing a captivating landing page, creating a professional portfolio, and developing a functional calculator using HTML and CSS and JavaScript.
- The experience not only strengthened my understanding of front-end development but also allowed me to apply creative and problem-solving skills to deliver polished and user-friendly solutions.

### INTERN PYTHON PROGRAMMER

CodeAlpah

2021 Jan - Present
